Description

List price of £37,635 - This 2025 Abarth 600e presents a unique opportunity, being a single owner, Abarth manufacturer approved electric vehicle with a full service history. As an electric car, it boasts a 54 kWh battery offering a maximum range of 207 miles. This model features electrically driven temperature control including climate control, LED reflector headlamps, rear parking sensors for easier manoeuvring, and automatic single zone air conditioning. Connectivity is also a strong point, with wireless Apple CarPlay and Android Auto integration. The performance of this Abarth 600e is a key highlight, with an impressive 0 to 62mph acceleration time of just 6.2 seconds, demonstrating its dynamic capabilities. This swift acceleration indicates a superior driving experience compared to many other electric vehicles in its class. The combination of its electric powertrain, advanced features, and strong provenance makes this Abarth 600e a compelling

choice for those seeking an engaging and well maintained electric car.
