Description

This 2024 Jeep Compass GSE T4 Trailhawk offers exceptional peace of mind with its full service history and status as a Jeep manufacturer approved vehicle, having covered a very low 7802 miles. This four wheel drive model features a 1.3 litre petrol plug in hybrid engine that meets Euro 6 emission standards, ensuring it remains efficient for modern driving requirements. The vehicle comes with a 12 month warranty and an MOT valid until July 2027, with its most recent service completed on 25 July 2025 at 2491 miles. Inside, the cabin is equipped with a 10.1 inch Uconnect DAB touchscreen infotainment system that includes navigation, Apple CarPlay, and Android Auto, alongside Bluetooth

streaming audio. Practicality is enhanced by front parking sensors, while the premium pack and dual pane panoramic sunroof add a sense of comfort and openness to every journey. The Trailhawk trim distinguishes itself by combining rugged capability with high end convenience, making it a versatile choice for those who value both performance and comfort. The inclusion of the opening panoramic sunroof provides a bright and airy atmosphere that is often missing in standard models, while the advanced infotainment setup ensures seamless connectivity for all passengers. By choosing this manufacturer approved example, you benefit from a vehicle that has been maintained to high standards and offers a refined driving experience, setting it apart from other options in its class.
