Description

This 2023 Peugeot 208 Active Premium + is a well-maintained hatchback that offers a reliable driving experience. As a Peugeot manufacturer approved vehicle, it comes with the peace of mind of a 12-month warranty. The car has covered a very low mileage of 13,672 miles, with its most recent service completed on 8 August 2026 at 13,073 miles. It holds a partial service history and has an MOT valid until January 2027, ensuring it is ready for the road. Powered by a 1.2-litre petrol engine that meets Euro 6 emission standards, this vehicle is designed for efficiency, offering a fuel economy of 56 mpg. It is an economical choice to run, thanks to its low insurance group and low CO2 emissions. Practicality is enhanced by useful features such as rear parking sensors to assist with manoeuvring and Bluetooth telephone connectivity for staying connected on the move. Visibility is also improved by the inclusion of Eco LED headlights, making this a well-equipped

option for those seeking a modern and efficient car.
