Description

This 2022 Fiat 500e La Prima is a fully electric vehicle that combines modern efficiency with the iconic style of the Fiat 500. As a Fiat manufacturer approved model, it comes with a 12 month warranty for added peace of mind. The vehicle has a partial service history, with its most recent service completed on 6 February 2026 at 24,213 miles. It is ready for the road, with an MOT valid until June 2027. The 42 kWh battery offers a maximum range of 194 miles when new, making it well suited for daily driving. Charging is convenient, with a full charge at home using a 7kW unit taking 6 hours, while the fastest public charging can replenish the battery from empty to 80 percent in just 35 minutes. This La Prima trim is equipped with several practical features, including an Easy Wallbox for home charging and LED headlights for improved visibility. Parking is made straightforward by the inclusion of a rear view camera and 360 degree parking sensors, while keyless entry adds a layer of convenience to every journey.
