Description

This 2026 Skoda Superb TDI SportLine is a modern estate that has had only one owner from new. With a mere 10 miles on the clock, this vehicle is in excellent condition and offers a nearly new experience for its next driver. It is powered by a 2.0 litre diesel engine paired with a four wheel drive system, ensuring it meets Euro 6 emission standards while providing reliable performance. The SportLine trim is designed for practicality and ease of use, featuring a large boot space that makes it ideal for carrying luggage or equipment. It is well equipped with technology, including wireless Smartlink for Apple CarPlay and Android Auto, alongside Bluetooth connectivity for seamless phone integration. Safety and convenience are prioritised through the inclusion of Blind Spot Detection with Door Exit Warning, keyless entry via the Transport Package, and advanced LED Matrix Beam headlights that adapt to poor weather and cornering conditions. With the ability to accelerate from 0 to 60mph in 7.4 seconds and a towing capacity of 2200 kg, this vehicle combines impressive capability with a comprehensive suite of driver assistance features.
