Description

This 2026 Volkswagen T-Roc TSI Match is a well-maintained vehicle that has had only one owner from new. It comes with a full service history and is Volkswagen manufacturer approved, providing peace of mind regarding its condition and provenance. Powered by a 1.5-litre petrol engine that meets Euro 6 emission standards, this model combines reliable performance with the reassurance of a complete maintenance record. The T-Roc offers a balanced driving experience, achieving a 0-60mph time of 7.9 seconds while maintaining a fuel economy of 47 mpg and low CO2 emissions. It is equipped with a range of practical technology designed to assist the driver, including adaptive cruise control, front and rear parking sensors, and a rear view camera with parking assistance. Inside, the cabin features a branded sound system and a mobile phone interface that includes wireless inductive charging. These integrated features make daily journeys more convenient and comfortable compared to standard models in its class.
