Description

This 2025 Skoda Kamiq TSI SE Edition is a practical and well-maintained vehicle that has had only one owner from new. As a Skoda manufacturer approved car, it comes with the peace of mind that accompanies a full dealership service history. This model is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The vehicle is designed to make daily driving straightforward and efficient, offering a fuel economy of 51 mpg alongside low CO2 emissions. It is equipped with a range of helpful technology, including a rear view camera and rear parking sensors to assist with manoeuvring in tight spaces. Visibility is enhanced by full LED headlights, which feature automatic control and a manual coming and leaving home function. Connectivity is also simple to manage, as the car includes Bluetooth integration for hands-free communication while on the road.
