Description

This 2023 CUPRA Formentor TSI V2 is a well-maintained example of this popular model, having had only one owner from new. With a 1.5-litre petrol engine that meets Euro 6 emission standards, this vehicle has covered 18,059 miles. It combines modern performance with a practical design, offering a balanced driving experience suitable for a variety of journeys. The vehicle is equipped with a range of features designed to enhance comfort and convenience, such as three-zone climate control that includes a dedicated control panel for rear passengers. Drivers benefit from predictive adaptive cruise control with a speed limiter, alongside a rear-view camera to assist with parking. The exterior lighting setup includes daytime running lights with automatic headlight control, featuring coming and leaving home functions. Inside, the cabin includes a wireless phone charger, while the engine provides responsive performance, capable of accelerating from 0 to 60mph in 8.3 seconds.
